

Math 2 Time Survey

The office hours for the professors are

Sullivan	Tuesdays 4:00-5:00 PM, Wednesdays 4:00-5:00 PM, Thursdays 4:00-5:00
Evans	Mondays 2:00-3:00 PM, Thursdays 4:00-5:00 PM, Fridays 4:00-5:00 PM

Although you should only attend office hours for your professor, if your professor is unable to host normal office hours you may temporarily use the other's.

Note that the midterm exams are scheduled to be held during 6:00 - 9:00 PM on the days of January 29th or February 12th.

Note that the final exam will be held on March 16th at 3:00 PM. This time is set by the registrar and can't be changed, thus you should make sure that you are here during that time.

1. Are you able to attend any of the office hours of your professor? If not, what time would be good for you?

2. Do you have any conflicts with 6:00 - 9:00 PM on the days of January 29th and February 12th? If so, for what reason?

3. Do you have any obligations or extracurricular activities that may cause you to miss some class days? If so, which days?
