

Math 31 - Homework #0

Getting To Know You

Please turn this in to **me** in my office before the end of office hours on Monday, Sept 29.

Name:

Major(s):

What other math classes have you taken at Dartmouth? Who were the instructors?

Was there anything about those classes you specifically liked or disliked?

What are your goals for Math 31?

Do you think there is anything else I should know about your math background?

Give me a fun fact about yourself to help me remember you.
